Reservation Requirements

In order to keep our fees at a minimum cost to your group, Camp Summit (CS) reserves the right to book the facilities to 100% occupancy, which means we may rent unoccupied rooms to other groups or individuals and give your group guidelines as for what area of the camp they will be given. To guarantee the use of the main meeting room, your group must guarantee a minimum of 26 full paying guests. The group must fill in the above section titled "guaranteed number of full paying guests." From this number, CS will determine the estimated space unused by your group that CS may book with another group. At least the total fees for the "guaranteed number of full paying guests" will be expected before your departure from camp. CS needs the exact number of people in your group at least 15 business days before the start of camp.

Security Deposit

A refundable security deposit of \$200.00 must accompany this contract. If this security deposit is left with CS, we will reserve your camp dates for the following year upon your request. If this security deposit is withdrawn or used to cover fees or cancellation charges, your dates **will not** be reserved for the following year. Security deposits are forfeited if your group cancels less than 45 days prior to the start of camp.

Insurance

Each group must submit, with your contract, proof of insurance including adding YouthHope/Camp Summit as an additional insured to your groups insurance policy.

Damage

If any damage is incurred as a result of your group staying at the camp, the cost to fix the damage will be billed to your group to the extent such damage was caused by the negligent or willful acts or omissions of Group or Group's invited guests. This includes the repair of graffiti or extra clean up time if your group leaves the camp excessively messy to the extent such damage was caused by the negligent or willful acts or omissions of Group or Group's invited guests. **CS reserves the right not to invite any group back due to misconduct, repeated violation of camp rules, a general poor attitude toward our staff or any other reason.**

Pre-Payment and Payment

20% of the "guaranteed number of full paying guests" is due in the Camp Summit office at least 45 days prior to the start of camp or upon signing this contract, whichever is closest to the rental date of the camp. This prepayment amount will go toward the total amount owed at the end of camp. The contracted rates will not be pro-rated for individuals or groups not staying the full length of the camp. This group's total amount owed is due before leaving camp. Failure to pay before the group leaves will result in a 5% late fee for the total amount owed. Payment must be made with one check. This prepayment will be put toward any cancellation fees owed based on cancellation penalties discussed below.

Cancellations

Group cancellations made 45 days, or less, before the start of the camp will be charged their security deposit and 50% of the total fees owed based on the "guaranteed number of full paying guests" or an estimate of guests given to the office by phone, whichever is more. In order to reserve your dates for the next year, you are required to replace any deposit that has been forfeited. We cannot pro-rate fees.

General Requirements

1. The guest group is expected to pay for any damage to the property and equipment (including graffiti) beyond normal wear and tear to the extent caused by the negligent or willful acts or omissions of Group or Group's invited guests.
2. Please inspect the facilities as soon as you arrive and report any problems to your host person.
3. None of the following are permitted on the property: pets, alcoholic beverages, illegal drugs, firearms, dangerous knives, fireworks, or explosives. Failure to comply with this request will result in CS requesting the violators to leave camp prematurely.
4. Outdoor fires are only permitted with the consent of your host person and must be carefully watched at all times.
5. Smoking is permitted only in designated smoking area on the property. There is a sand bucket located behind the lodge.
6. The camp should be left clean, and proper conduct is expected at all times.
7. Camp Summit fees cover only operating expenses and not improvements. Your group's love offerings provide for much needed maintenance and capital improvements.
8. Our host will share with your group about what YouthHope is and its impact on the community as well as a devotional. Please indicate to your host when would be best to share with your group.

Medical & Liability Release Forms and Medical Emergencies

1. For Minors: Hospitals today are increasingly reluctant to treat minors without parental consent. Therefore, each minor (under the age of 21) attending Camp Summit must submit to YouthHope (YH) through the group leader, a statement of good health, noting any specific medical considerations, emergency phone numbers, insurance company and policy number, doctor's name, and parental release signature.
2. For Everyone: Release forms are required for all of our guests regardless of age. This release form must release YouthHope from any liability in a medical emergency and give YH permission to authorize a qualified person to administer medical attention. By signing this contract, you agree to obtain the completed release forms for each individual and accept any liability for not doing so. YouthHope accepts no liability for any medical emergency for any person in your group regardless of whether we intercede on the wounded person's behalf. YouthHope release forms are included in your rental information packet.

Indemnification

1. Your group agrees to indemnify and hold harmless Camp Summit, YouthHope, its Board Members, employees, or agents from liability for loss, injury, or damage to persons or property to the extent caused by the negligent or willful acts or omissions of Lessee, its guests, employees, or agents on the camp premises, excluding liability caused solely by the negligence of Youthhope, its employees, or agents.
2. Your group expressly agrees that the release and indemnity provisions of this Agreement are intended to be as broad and inclusive as permitted by the laws of the State of Illinois, and that the balance of this Agreement shall continue in full force and legal effect if any portion of the Agreement is held as invalid.

Conciliation

In the unlikely event that a dispute or claim arises from or out of this Agreement, which the parties cannot resolve between themselves to their mutual satisfaction, the parties agree that the claim or dispute shall first be referred for resolution to a mutually selected third party. If the parties cannot agree upon a third party, or if the dispute is not then resolved, the matter shall be submitted to the Christian Conciliation Service or the American Arbitration Association.

Americans with Disabilities Act

YouthHope is a not for profit organization operating for religious purposes that does not provide public accommodations and therefore may possess exemption from the provisions of Title III of the Americans with Disabilities Act (Public Accommodations-including transportation). In the event the Lessee is not a religious organization that is exempt from the provisions of the Act, the Lessee is responsible to comply with all provisions of said Act throughout the term of this Agreement, including but not limited to: accommodations, transportation, and program.

Mission of Camp

The YouthHope (YH) Board has determined the mission of the camp to be a vehicle for the salvation of those who attend or their spiritual renewal. The YH board or its designated committee will determine those who are allowed to use the facility using Christ centered principles.

The YH board will have the final say on whether any group or individuals are eligible to use this camp. YH's mission is to bring children and adults to an understanding and belief that Jesus Christ is Lord and Savior and each person's need to receive Christ as their personal Savior. It is the expressed desire of the YH board that everyone using the camp shares this mission.

Statement of Faith

The Christian beliefs of YH are set forth in the following Statement of Faith:

- We believe the Bible to be the inspired, the only infallible, authoritative Word of God.
- We believe that there is one God, eternally existent in three persons: Father, Son, and Holy Spirit.
- We believe in the deity of our Lord Jesus Christ, in His virgin birth, in His sinless life, in His miracles, in His vicarious and atoning death through His shed blood, in His bodily resurrection, in His ascension to the right hand of the Father, and in His personal return in power and glory.
- We believe that for the salvation of lost and sinful man, regeneration by the Holy Spirit is absolutely essential.
- We believe in the present ministry of the Holy Spirit by whose indwelling the Christian is enabled to live a godly life.
- We believe in the resurrection of both the saved and the lost; they that are saved unto the resurrection of life, and they that are lost unto the resurrection of damnation.
- We believe in the spiritual unity of believers in our Lord Jesus Christ.
- We believe in a monogamous marriage between one man and one woman as the only biblically based marriage.

Policy for Camp Usage

Youthhope (YH) sponsored activities take precedence at all times. YH, as owner of the camp, will set the camp priorities, mission, utilization schedule, etc. Any group which applies to use the camp acknowledges these priorities and agrees not to dispute any decision arrived upon in YH's decisions as regards to use of the camp.

YH activities will not preempt any scheduled time by an outside party, assuming written acknowledgment has been sent to the second party and YH has received the non-refundable deposit.

GROUPS WISHING TO USE THE CAMP MUST AGREE IN WRITING TO THE FOLLOWING:

- The camp is to be Christ centered, therefore any group using it must have no conflict with the Mission Statement.
- The camp's primary purpose is for youth, designed to help those who have no other alternative to escape their toxic environment.
- No drugs or alcohol are allowed on the facility or people under the influence of such.
- All groups must agree to a YH staff member sharing with the group the heart and Christian ministry of "Camp Summit."

YH, its staff, and all YH activities are conducted according to a biblically-based Statement of Faith and to Christian Conduct Standards that are central to YH's Christian beliefs. All groups must agree to abide by the Christian Conduct Standards, which include:

- Refraining from the use of drugs (other than prescription medicines);
- Refraining from the use of alcohol and tobacco;
- Refraining from engaging in sexual conduct outside of a biblically-based marriage as defined in the Statement of Faith;
- Refraining from involvement in any form of pornography;
- Refraining from statements or conduct that detracts from the biblical standards taught and supported by YouthHope.
